

Programmes of study and Early learning goals

Beenham Primary School Curriculum 22 (187 projects, 4798 lessons) live

Big idea	Aspect	Nursery	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Humankind	Everyday life	AOL: World Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class.	AOL: World Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class. covered x 5 optional x 3	Learn about changes within living memory. Where appropriate, these should be used to reveal aspects of change in national life. covered x 6 optional x 3	Learn about events beyond living memory that are significant nationally or globally. covered x 2 optional x 2	Learn about changes in Britain from the Stone Age to the Iron Age. Learn about the Roman Empire and its impact on Britain. covered x 8 optional x 4	Learn about the Roman Empire and its impact on Britain. covered Study an aspect or theme in British history that extends pupils' chronological knowledge beyond 1066. Understand the methods of historical enquiry, including how evidence is used rigorously to make historical claims, and discern how and why contrasting arguments and interpretations of the past have been constructed. covered x 2 breadth	Understand historical concepts such as continuity and change, cause and consequence, similarity, difference and significance, and use them to make connections, draw contrasts, analyse trends, frame historically valid questions and create their own structured accounts, including written narratives and analyses. covered optional breadth	Know and understand significant aspects of the history of the wider world: the nature of ancient civilisations; the expansion and dissolution of empires; characteristic features of past non-European societies; achievements and follies of mankind. covered x 7 optional x 2 breadth
	Hierarchy and power	AOL: World Understand the past through settings, characters and events encountered in books read in class and storytelling.	AOL: World Understand the past through settings, characters and events encountered in books read in class and storytelling. covered x 2	Gain and deploy a historically grounded understanding of abstract terms such as 'empire', 'civilisation', 'parliament' and 'peasantry'. covered breadth	Gain and deploy a historically grounded understanding of abstract terms such as 'empire', 'civilisation', 'parliament' and 'peasantry'. covered x 2 breadth	Learn about changes in Britain from the Stone Age to the Iron Age. covered optional Learn about the Roman Empire and its impact on Britain. covered x 7 optional	Learn about the achievements of the earliest civilizations – an overview of where and when the first civilizations appeared and a depth study of one of the following: Ancient Sumer; The Indus Valley; Ancient Egypt; The Shang Dynasty of Ancient China. covered x 3 optional	Learn about the achievements of the earliest civilizations – an overview of where and when the first civilizations appeared and a depth study of one of the following: Ancient Sumer; The Indus Valley; Ancient Egypt; The Shang Dynasty of Ancient China. covered x 2 optional x 2	Understand historical concepts such as continuity and change, cause and consequence, similarity, difference and significance, and use them to make connections, draw contrasts, analyse trends, frame historically valid questions and create their own structured accounts, including written narratives and analyses. covered x 2 optional breadth Gain historical perspective by placing their growing knowledge into different contexts: understanding the connections between local, regional, national and international history; between cultural, economic, military, political, religious and social history; and between short- and long-term timescales. covered optional breadth

Big idea	Aspect	Nursery	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
	Civilisations					Learn about changes in Britain from the Stone Age to the Iron Age. covered x 2 optional x 4 Learn about the Roman Empire and its impact on Britain. covered x 2 Learn about Ancient Greece – a study of Greek life and achievements and their influence on the western world. Know and understand the history of these islands as a coherent, chronological narrative, from the earliest times to the present day: how people’s lives have shaped this nation and how Britain has influenced and been influenced by the wider world. covered x 5 optional x 4 breadth	Learn about the Roman Empire and its impact on Britain. Learn about the Viking and Anglo-Saxon struggle for the Kingdom of England to the time of Edward the Confessor. covered Learn about the achievements of the earliest civilizations – an overview of where and when the first civilizations appeared and a depth study of one of the following: Ancient Sumer; The Indus Valley; Ancient Egypt; The Shang Dynasty of Ancient China. covered optional Learn about a non-European society that provides contrasts with British history – one study chosen from: early Islamic civilization, including a study of Baghdad c. AD 900; Mayan civilization c. AD 900; Benin (West Africa) c. AD 900-1300. covered	Learn about the achievements of the earliest civilizations – an overview of where and when the first civilizations appeared and a depth study of one of the following: Ancient Sumer; The Indus Valley; Ancient Egypt; The Shang Dynasty of Ancient China. covered x 5 optional x 2 Learn about Ancient Greece – a study of Greek life and achievements and their influence on the western world. covered x 7 optional x 3 Know and understand significant aspects of the history of the wider world: the nature of ancient civilisations; the expansion and dissolution of empires; characteristic features of past non-European societies; achievements and follies of mankind. covered x 4 optional x 4 breadth	Learn about a non-European society that provides contrasts with British history – one study chosen from: early Islamic civilization, including a study of Baghdad c. AD 900; Mayan civilization c. AD 900; Benin (West Africa) c. AD 900-1300. covered
Creativity	Report and conclude	AOL: World Understand the past through settings, characters and events encountered in books read in class and storytelling. covered optional	AOL: World Understand the past through settings, characters and events encountered in books read in class and storytelling. covered x 2 optional x 2	Learn about significant historical events, people and places in their own locality. covered x 4 optional x 2	Understand the methods of historical enquiry, including how evidence is used rigorously to make historical claims, and discern how and why contrasting arguments and interpretations of the past have been constructed. covered x 9 optional x 6 breadth	Understand historical concepts such as continuity and change, cause and consequence, similarity, difference and significance, and use them to make connections, draw contrasts, analyse trends, frame historically valid questions and create their own structured accounts, including written narratives and analyses. covered optional x 5 breadth	Understand historical concepts such as continuity and change, cause and consequence, similarity, difference and significance, and use them to make connections, draw contrasts, analyse trends, frame historically valid questions and create their own structured accounts, including written narratives and analyses. covered x 11 optional x 3 breadth	Understand the methods of historical enquiry, including how evidence is used rigorously to make historical claims, and discern how and why contrasting arguments and interpretations of the past have been constructed. covered x 3 optional x 2 breadth	Understand the methods of historical enquiry, including how evidence is used rigorously to make historical claims, and discern how and why contrasting arguments and interpretations of the past have been constructed. covered x 6 optional x 3 breadth
