Communication

If you have any questions, thoughts or concerns regarding your child's wellbeing, learning or events please message me on class Dojo and I will get back to you within 2 working days (8am-5pm)

Your child's wellbeing is very important and I am aware that sometimes things happen outside of school. I also understand that details may not be able to be shared. If your child is coming into school after a tough night then please message me 'Handle with care' on Dojo so I know to give them a little more love, patience and support that day
